

# City 2 City

PUYALLUP SUMNER CHAMBER of COMMERCE

**OCT 1-4, 2024**

Now in its third year, **City 2 City** will bring together community stakeholders from our area on an in-depth, guided visit to a thriving, revitalized community with a track record of success.

## FORT COLLINS Colorado

Fort Collins, Colorado, is a vibrant city nestled against the Rocky Mountains. Known for its outdoor recreation and craft beer scene, it's home to over 20 breweries, earning it the title "Napa Valley of Beer." Its historic Old Town district offers charming shops and eateries in Victorian-era buildings. With Colorado State University adding to its cultural richness, Fort Collins is a welcoming community known for its commitment to sustainability and lively festivals.

Beyond its recreational and cultural offerings, Fort Collins boasts a strong sense of community. Residents take pride in their city's commitment to sustainability, evidenced by initiatives like the Fort Collins Bike Library, which provides free bicycle rentals, and extensive network of bike lanes and trails. The city also hosts numerous festivals and events throughout the year, including the renowned Colorado Brewer's Festival and the Tour de Fat, a celebration of bikes, beer, and community.

## WHY ATTEND:

- Hear from visionary leaders in our host city
- Get an up-close look at attractions and organizations shaping the downtown experience & livability in our host community
- Learn lessons and innovative ideas to help guide future decision making in our community
- Build relationships with others committed to strengthening the vitality of Puyallup & Sumner

## ITINERARY:
